RECRUITMENT - 2025

Q1- During this period, we conducted thirteen Police Officer Trainee interviews. Of these, eight were interviewed a second time, and four were selected for background investigations. Unfortunately, three of the four were disqualified during the background portion of hiring process.

We have secured two spots in the July 2025 Police Academy and are working hard to fill them.

Q2- During this period, we interviewed six lateral/academy graduate candidates. Two were eliminated during the interview process. One candidate opted to join another police department. Two candidates are currently in the background process.

Two police officer trainee candidates completed the hiring/background process and are set to attend the Santa Rosa Police Academy that begins on July 21, 2025.

Q3- In July, two Police Officer Trainee candidates started the police academy through the Santa Rosa Junior College. They are both doing well and are set to graduate in December of this year.

The Police Department interviewed multiple candidates for the lateral/academy graduate position. One candidate successfully passed his background and is slated to start in Q4.
