MEMORANDUM OF UNDERSTANDING BETWEEN CITY OF SAUSALITO

and

SEIU, LOCAL 1021

GENERAL AND MID-MANAGEMENT UNIT

July 1, 2026 through June 30, 2029

This Memorandum of Understanding is entered into pursuant to the provisions of Section 3500, et. seq. of the Government Code of the State of California.

The parties have met and conferred in good faith regarding wages, hours and other terms and conditions of employment for the employees in said representation unit, and have freely exchanged information, opinions and proposals and have endeavored to reach agreement on all matters relating to the employment conditions and employer-employee relations of such employees.

This Memorandum of Understanding shall be presented to the Sausalito City Council as the joint recommendation of the undersigned parties for salary and employee benefit adjustments for the period commencing July 1, 2026 through June 30, 2029.

SECTION 1. RECOGNITION

1.1 UNION RECOGNITION

The SEIU, Local 1021, hereinafter referred to as the "Union," is recognized as the majority employee organization for the General Employees Bargaining Unit comprised of employees as defined in Section 3.1 and employees assigned to those classifications listed in Section 5.3. Newly hired employees in the specified classifications shall be notified that the Union is the recognized bargaining representative for employees in that classification. The Union shall be notified by the City of the name and classification of all newly hired employees and terminating employees. Upon the request of the Union, the City shall forward to the Union a listing of employees in those classifications represented by the Union.

SEIU Local 1021

July 1, 2026 through June 30, 2029

The Union may, by written notice to the City, designate certain of its members as Employee Representatives. Such Representatives shall be permitted reasonable time during working hours for Union business within the scope of representation including the right to assist members to process informal grievances. The Representative shall secure permission from their supervisor before leaving a work assignment. Such permission shall not unreasonably withheld.

1.2 UNION RIGHTS

1.2.1 NEW EMPLOYEE ORIENTATION

- a. As part of the new employee orientation process, the City shall notify new employees represented by SEIU that the Union is the recognized employee organization for the employee's classification. Within 45 calendar days of hire into an SEIU bargaining unit position, the Union shall have the opportunity to make a 30-minute presentation to new employees. One Union designee shall be granted 30 minutes of release time to meet with new employees for this purpose. The City shall notify the Union as soon as reasonably possible of a new employee's start date. In all cases, the City shall notify the Union of a new employee's start date within two working days of the new employee clearing their background check.
- b. City management/designees shall not be present at any orientation program or makeup session conducted by the Union with employees.

1.2.2 BULLETIN BOARDS

The City shall provide bulletin board spaces for the posting of Union materials. Bulletin boards shall be located in mutually acceptable areas.

1.3 DUES DEDUCTION

1.3.1 DUES PROCESSING

- a. The employer shall honor an employee's check-off authorization for dues, COPE or other Union-sponsored program, which are submitted in writing, through electronically recorded phone calls, via online deduction authorization, or by any other means of indicating agreement allowable under state and federal law, regardless of whether the employee is a member of the Union.
- b. Deductions for dues, COPE or other Union-sponsored program shall start the first full pay period after the employer receives notification of the authorization. The employer shall transmit such payments to the Union through electronic funds transfer no later than thirty (30) days after the deduction from the employee's earnings occurs.
- c. Requests to authorize dues/other deduction(s), or requests to change status regarding such deductions, shall be directed to the Union rather than the employer. The employer shall rely on the Union's explanations in a certified list, submitted by a representative of the Union who has authority to bind the Union, regarding whether an authorization/change in deduction(s) has been requested by the employee.
- d. The Union is responsible to obtain and maintain voluntary written authorization for membership dues

deductions. Membership dues deductions shall automatically renew unless written notice is provided by the authorized representative of the Union certifying a change in membership dues. The City shall honor any changes to membership dues deduction amounts provided by the Union. The Union shall not be required to provide the employer a copy of the employee's authorization unless a dispute arises about the existence or terms of the authorization.

- e. The Union shall indemnify, defend, and hold the City harmless against any claims made and/or any suit against the City which may arise as a result of its deductions for membership dues or other programs sponsored by the Union.

1.3.2 DATA PERTAINING TO DEDUCTIONS

The employer shall produce to SEIU Local's 1021 Membership Department every thirty (30) days, on a regular ongoing basis, a malleable electronic file containing the following information for all current employees covered by this Agreement:

1. Full Name (first, middle, last, suffix)
2. Employee Number (if the City adopts Employee numbers)
3. Job Title
4. Department
5. Work Location
6. Telephone numbers, including personal cellphone, home phone and work phone
7. Personal email address, as provided by the employee
8. Home Address

1.4 COPE CONTRIBUTIONS

The City will cooperate with the Union to allow Union Committee on Political Education (COPE) contributions to be made through payroll deduction.

1.5 CITY RECOGNITION

The City Manager, or any management representative duly authorized by the City Manager, is the representative of the City of Sausalito, hereinafter referred to as the "City," in employer-employee relations.

2. SECTION 2. NO DISCRIMINATION

There shall be no discrimination by the Union or City or by anyone employed by the City against any employee or applicant for employment on the basis of any status protected by Federal, State or local law, or legitimate Union activities, including the protections for union activity set forth in the Meyers-Milias-Brown Act (Cal. Govt. Code § 3500 *et seq.*) The protected statuses as of July 2022 include but are not limited to actual or perceived race (including hair textures or protected hairstyles), color, ancestry, national origin, religious creed, sex (including gender, gender identity, gender expression), pregnancy, childbirth, breastfeeding or related medical conditions), sexual orientation (including homosexuality, bisexuality, heterosexuality), genetic characteristics or information, marital status, and military or veteran status. And, to the extent prohibited by applicable State and federal law, there shall be no

SEIU Local 1021

July 1, 2026 through June 30, 2029

discrimination because of actual or perceived age, physical or mental disability or medical condition.

3. SECTION 3. PROBATIONARY STATUS

3.1 CLASSIFICATION OF EMPLOYEES

A probationary or permanent full-time employee is defined as an employee in an authorized position who is required to be brought into membership in the State Public Employees Retirement System. Probationary or permanent full-time employees shall be compensated at the monthly rates described in sections of this Memorandum of Understanding and such employees are entitled to all employee benefits, in accordance with the various provisions of this Memorandum of Understanding. "Authorized Position" means a position listed in Section 5 "Salaries" that has received funding in the City's annual budget.

3.2 PROBATIONARY PERIOD

All appointments to positions shall be tentative and subject to a probationary period. The probationary period for original appointments shall be for a period of twelve (12) months and the period for promotional appointments shall be six (6) months.

During the original probationary period an employee may be terminated at any time without the right of appeal in any manner except as mandated by state or federal law. Notification of termination in writing shall be served on the probationer.

An employee who has previously completed the requisite probationary period and who is rejected during a subsequent probationary period for a promotional appointment shall be reinstated to the former position from which the employee was appointed unless the employee is discharged for cause or unless the former position has been eliminated by the City.

3.3 OUT OF CLASS PAY

Employees assigned by the department head or City Manager to work out of class shall be paid an additional 5% (five percent) of their regular rate of pay. No employee shall be assigned to work out of class for longer than one (1) year unless special circumstances exist that requires such a lengthy assignment. In the event that an employee is assigned to work out of class for more than one (1) year, the employee shall be paid an additional 10% (ten percent) of their regular rate of pay.

Unless otherwise determined by CalPERS, the 5% or 10% out of class premium is not pensionable compensation.

3.4 ACTING PAY

SEIU Local 1021

July 1, 2026 through June 30, 2029

When an employee is assigned to perform the full range of duties and responsibilities of a higher job classification during the temporary or permanent absence of an employee, said employee will be compensated at the step that is at least 5% above their base salary. In no event shall the acting pay exceed the top step of the higher job classification. The employee must meet the minimum qualifications of the higher job classification, must only perform the higher classification duties while so assigned, and must be assigned in writing by their supervisor. If the employee is placed in an acting assignment as a result of a vacancy in the higher-level position and the City is actively recruiting to fill that vacancy, such acting assignment will be limited to 960 hours per fiscal year, consistent with CalPERS regulations.

SECTION 4. DISCIPLINARY ACTION

4.1 PERFORMANCE MANAGEMENT

A. Coaching and Counseling

Coaching and counseling is encouraged to bring about effective communication prior to any disciplinary steps. Coaching and counseling is verbal communication designed to draw attention to management concerns with the expectation that such communication will be sufficient in and of itself to motivate an employee to change their behavior. Coaching and counseling is not discipline and not subject to the grievance procedure.

B. Progressive Discipline

A permanent employee (i.e. an employee who has completed their probationary period as set forth in section 3.2) may be disciplined in pay only for cause by the employee's department head. Written notice of the proposed disciplinary action shall be given to the employee and shall include a statement of the reasons for the proposed action.

The City's disciplinary system is based on progressive discipline. In progressive discipline, the City takes progressively more severe action if the employee has not responded to previous actions. However, certain conduct and circumstances may be serious enough to warrant severe disciplinary action, up to termination, without prior lower-level discipline.

Progressive discipline may include such of the following, as appropriate to the specific violation(s):

- (a) Written Reprimand
- (b) Suspension
- (c) Demotion
- (d) Reduction in Pay
- (e) Discharge

Employees are entitled to union representation at steps (a) through (e) of the disciplinary procedure. When agreed to by the parties, a "Performance Improvement Plan" shall be written and implemented by any disciplinary step other than discharge. The Performance Improvement Plan shall identify the employee's areas of deficient performance and the steps to be taken to bring performance up to acceptable levels.

4.2 APPEAL PROCEDURE

Employees may appeal suspensions, demotions, reductions in pay, and discharges as set forth in this Section 4.2.

Step 1. The City will provide a copy of the “Skelly” Notice of Intent to discipline and documentation that was relied upon to the employee. The Notice of Intent to Discipline will describe the employee’s right to a Union representative and the City’s obligation to provide the Notice to the Union representative at the Request of the employee (e.g., “You have the right to request a Union representative to attend the Skelly meeting. The City will provide a copy of this Notice to the Union based upon your request.”) Within ten (10) calendar days after submission of the notice of the dismissal, suspension, demotion or reduction in pay the employee may submit a written reply and/or request for a “Skelly” hearing to the City Manager in response to the charges made against him or her. The City Manager shall investigate the issues involved and, within ten (10) working days of receipt of the written request from the employee, schedule a meeting with the employee and the Union representative. At this meeting, the City Manager shall attempt to reach a satisfactory resolution of the appeal. The City Manager shall have ten (10) working days following this meeting in which to reply in writing.

Step 2. If the employee and Union are not satisfied with the City Manager’s response in Step 1, the Union may, within ten (10) calendar days of the City Manager’s reply, request review by a disinterested third party selected from a list of ten (10) candidates provided by the State Mediation and Conciliation Service. If the parties cannot mutually agree on the party to be selected, it shall be determined by lot which party may first strike a name from the list. The parties shall alternately strike one (1) name and the last name remaining shall be selected. Each side will bear its own costs for said mediation, and the actual cost for the service will be shared equally between the City and the Union. The report of the disinterested third party shall be advisory only and shall not be binding.

Step 3. The report of the disinterested third party shall be submitted to the Union and to the City Manager. The City Manager shall consider the report of the disinterested third party and, within ten (10) working days, notify the Union in writing whether or not his or her previous position has been modified.

Step 4. If the employee and the Union are not satisfied with the City Manager’s position in response to the report of the disinterested third party, the Union may, within ten (10) calendar days submit a written request for a hearing before the City Council. Upon such a request, the City Council shall schedule a hearing within thirty (30) calendar days. The decision of the City Council shall be final.

4.3_OTHER DISCIPLINARY ACTION

When the department head imposes discipline, other than a suspension, demotion, reduction in pay, or discharge , the employee may submit, within ten (10) calendar days of the discipline, a written request for an administrative appeal to the City Manager. The City Manager shall review the discipline and pertinent information and may meet with the employee and their union representative and then shall render a decision within 10 working days of receipt of the later of (i) the request for an administrative appeal and (ii) the meeting with the employee and their union representative. The City Manager’s decision shall be final.

Regardless of whether the employee requests an appeal of a written reprimand, the employee may submit a rebuttal to the written reprimand and that rebuttal shall be included in the employee’s personnel file with the written reprimand.

SECTION 5. SALARIES

5.1_PAY PERIODS

Salaries are paid on a bi-weekly basis. Each pay period shall begin at 00:01 a.m. Sunday and continue up to and including 24:00 midnight Saturday two weeks following. Each payment shall be made not later than the Friday following the ending of each payroll period and shall include payment for all earnings during that payroll period. There are twenty-six (26) pay periods per year.

5.2_DEFINITION OF YEAR

For purposes of calculating pay and benefits, the end of the year shall be defined as the last day of the last full pay period of the fiscal year.

5.3_SALARY SCHEDULES

Effective July 1, 2012, the City implemented a seven (7) step compensation system for each job classification by adding two lower steps to the current five (5) step classification system.

5.3 (A) SALARIES EFFECTIVE the first full period following City Council adoption of this Agreement but no earlier than July 1, 2026:

Effective the first full period following City Council adoption of this Agreement but no earlier than July 1, 2026, SEIU bargaining unit employees' monthly compensation shall be increased by 3%. The monthly compensation in the job classification represented by the SEIU bargaining unit is delineated on the table attached as Appendix A.

Effective concurrently with the wage increase described above, the salary ranges for the Recreation Supervisor, Senior Planner, Custodian, and Lead Custodian classifications shall be increased by five percent (5%) as an equity adjustment; equity adjustments shall be cumulative and not compounded (e.g., 5% + 3% = 8%).

5.3 (B) SALARIES EFFECTIVE JULY 1, 2027:

Effective July 1, 2027, SEIU bargaining unit employees' monthly compensation shall be increased by 3%. The monthly compensation in the job classification represented by the SEIU bargaining unit is delineated on the table attached as Appendix B.

5.3 (C) SALARIES EFFECTIVE JULY 1, 2028:

Effective July 1, 2028, SEIU bargaining unit employees' monthly compensation shall be increased by 3%. The monthly compensation in the job classification represented by the SEIU bargaining unit is delineated on the table attached as Appendix C.

SEIU Local 1021

July 1, 2026 through June 30, 2029

5.4_PROMOTIONS

An employee who receives a promotion from one (1) classification to a classification with a greater pay rate shall receive a promotional rate increase to a new rate which shall place the employee at the appropriate step in the new classification to provide a minimum of a five percent (5%) increase in pay.

5.5_Y RATE

Any employee occupying a position which is reallocated to a class, the maximum salary for which is less than the incumbent's present salary, or occupying a position in a class, the salary rate or range for which is reduced, shall continue to receive his or her present salary with no increase in pay until the salary range exceeds the incumbent's salary. Such salary shall be designated as a "Y" rate.

5.6_LONGEVITY PAY

Effective the first full pay period in January 2020, employees in this bargaining unit shall be awarded longevity pay of 0.38% of salary per pay period after completion of five (5) years of service, 0.75% of salary per pay period after completion of ten (10) years of service, 1.13% of salary per pay period after completion of fifteen (15) years of service and 1.5% of salary per pay period after completion of twenty (20) years of service. Any longevity pay benefit shall be implemented effective the first full pay period following completion of the applicable years of service (e.g. an employee who completes five years of service on July 7, 2019 shall have their longevity benefit implemented effective the second pay period of July 2019).

SECTION 6. HOURS OF WORK

6.1_NORMAL SCHEDULE

The normal schedule for employees occupying full-time positions shall consist of seventy-two (72) hours within a fourteen (14) day work period, thirty-six (36) hours per week.

6.2_NORMAL WORKDAY

The normal workday shall not exceed ten (10) hours. Employees shall receive at least one-half (1/2) hour off without pay during the above normal workday for lunch or dinner, with the length of any given lunch or dinner period to be determined by the employee's supervisor and based on workload demands.

6.3_OVERTIME

All employees shall be paid overtime in accordance with the Fair Labor Standards Act. Employees assigned to work more than the number of hours per day or hours per period as specified in Sections 6.1 and 6.2 above shall be paid overtime at the rate of one and one-half (1 ½) times their regular rate of pay for each one-quarter (1/4) of an hour or portion thereof for such time worked in excess of the normal day, normal work week, normal work period, and for all hours worked on a scheduled day off. Employees may agree to work outside their normal schedule or workday in exchange for an equal amount of time off during the pay period.

6.4_COMPENSATORY TIME OFF

Employees assigned to work overtime may elect to be paid in either overtime pay or compensatory time off. However, in no case shall compensatory time balances exceed eighty (80) hours at any time. Compensatory time off balances may not exceed forty (40) hours at the end of each calendar year. By December 31 of each year, each employee's compensatory time off bank shall be reduced to a year-end cap of forty (40) hours, and the employee shall be paid in cash for any compensatory hours reduced to achieve the year-end cap of forty (40) hours.

6.5_CALL BACK

Call back pay shall be paid to permanent full-time employees who are called into work while off duty. Such call back pay shall be paid at one and one-half (1 ½) times the regular rate of pay. A minimum of three (3) hours of call back pay at the one and one-half (1 ½) rate shall be paid for recall. Compensation shall begin at the time initial contact is made while off duty and end when the employee has returned home. The City shall have the right to establish reasonable travel time for call back pay purposes only between employees' homes and the place of work. If call back time exceeds three (3) hours, at the beginning of the fourth hour, additional overtime shall begin being earned at the rate of each one-quarter (1/4) of an hour or each portion thereof.

6.6_WORK HOURS

The normal workday provided for in Section 6.2 may be adjusted on an individual employee basis to allow consideration of commute, child care or other personal matters, with the prior approval of the department head and in accord with applicable federal and state laws.

In the event of disagreement between the employee and the department head, the employee may appeal the department head's decision to the City Manager. In such case, the employee may have their employee representative present during the appeal.

6.6_(A) HOURS OF WORK – REDUCED WORKWEEK

1. The "normal schedule" as defined in Section 6.1 for all SEIU-represented positions will be thirty-six (36) hours per week. The 36-hour week is considered full-time.
2. For purposes of benefit and accrual calculations this thirty-six (36) hour workweek will be considered "full time" and employees' benefits and accruals will not be pro-rated.
3. Employees working a 36-hour workweek shall be eligible for overtime pay for all hours worked in excess of thirty-six (36) in a workweek and for all hours worked on a scheduled day off.
4. Unless otherwise directed by their Department Head or supervisor, employees in this unit will be scheduled for four nine-hour days with three consecutive days off each week. Many members of this unit will work a Monday – Thursday 9-hour a day schedule. Certain departments and divisions such as Library, Recreation, and Public Works Maintenance and Landscaping must react to events, maintenance, and construction or repair schedules and may work slightly different schedules and days. Regular schedules will consist of no more than

thirty-six (36) hours per week with 3 consecutive days off each week. Scheduled start and stop times are at the discretion of the supervisor and Department Head, however, the City values quality of life and work / life balance, as well as alternate commute options. As such, Department Heads are encouraged to work with employees to set off-peak schedules that minimize commute time while still promoting safe work practices and continuity of service to the community. In the event of a dispute over start and stop times between employees and Department Heads, the parties will meet to discuss ways of resolving the dispute including rotating start/stop times, commuter incentives, van pools, or other solutions.

5. Employees may still be requested or required by their supervisor to call back to work or work overtime outside of their regularly scheduled shifts. Such call back or overtime work will be administered as set forth in sections 6.3 and 6.5 of the parties' MOU, except as set forth in section 8 below.
6. An employee's normal work schedule will not be changed without seven (7) calendar days advance, written notice. Emails may serve as written notice. Exceptions may be made in emergency situations or in response to unforeseen illness in the department.
 - a. For purposes of this section, an "Emergency Situation" is defined as a sudden, unplanned event requiring a police response, shelter in place, or a Council, State, or Federal declared emergency or disaster.
 - b. In all cases of a schedule change without seven (7) calendar days advance, written notice to the employee, the employee will be compensated at 1.5 x base rate for all hours worked outside the hours of the employee's normally scheduled shift until 7 days' notice has effectively passed.
 - c. For purposes of this section, the employee's "normally scheduled shift" shall be defined as the shift assigned to that employee by the Department's scheduling software or other regular scheduling procedure, prior to the imposed change.
 - d. Schedule changes that do not have mutual agreement between the employee and the City, or that are not made for emergency situations/unforeseen illness as defined above, shall be made by the City no more than once every 2 months.
7. Employees working a 36-hour workweek will observe eleven nine-hour holidays (Observed holidays for this 36-hour schedule, are set forth in section 7.1 of the MOU) plus eighteen (18) floating holiday hours. Floating holiday hours shall be administered consistent with Section 7.4 of the MOU.

6.7 EMERGENCY PAID LEAVE

In the event that an emergency is declared that impacts City facilities or operations and results in the closure of any facilities, employees regularly assigned to work in a closed worksite may be required, at the discretion of the Agency, to report to a worksite other than their regular worksite to assist in emergency duties as a Disaster Service Worker, to a non-impacted worksite for regular duties, or to work from home if telework is available.

If employees are not assigned to a non-impacted worksite, assigned to assist in emergency duties, or assigned to telework, they shall be granted leave up to 10 regularly scheduled workdays in any calendar year and compensated for their regularly scheduled workday with no adverse effect to the employee.

This provision applies to Federal, State, County, or City declared emergencies or to other non-declared circumstances

that result in the closure of City facilities.

The above section also applies if an employee is unable to work because the employee has been ordered to evacuate their permanent residence and is unable to safely report to work due to natural disaster or other government-declared emergency.

6.8_MEAL ALLOWANCE

SEIU Local 1021

The dollar amount of the employee's check which represents the amount of the disability benefit received shall be divided by the employee's hourly equivalent wage rate to determine the number of hours of sick leave to be reimbursed to the employee computed to the nearest one-quarter (1/4) of an hour or portion thereof.

Vacation leave shall be accrued on a pay-period basis and recorded in the books by the number of hours accrued.

The times during which an employee may take vacations shall be determined by the department head, provided that if the requirements of City service are such that part or all of an employee's vacation must be deferred beyond a particular fiscal year, the employee may take the vacation during the following fiscal year.

It is the policy of the City that employees take their normal vacation each year; provided, however, that for reasons deemed sufficient by the department head an employee may take less than the normal vacation one (1) year with a correspondingly longer vacation the following year.

Vacation accruals shall be capped at two hundred and forty (240) hours. Employees who accrue leave up to that cap will not be permitted to accrue additional vacation leave until they fall below the two hundred and forty (240) hour cap. In December of each year, employees may make an irrevocable election to sell up to 80 hours of vacation in the upcoming calendar year. Vacation hours may be paid out as early as they are accrued in the next calendar year and must be paid out by the second pay period in December of the new calendar year.

Personal Necessity Leave may also be used for pre-scheduled purposes not covered by the provisions of Section 8, "Sick Leave". Such time off shall be in increments of not less than one (1) hour. Personal Necessity Leave shall be FLSA work prorated for employees working less than a thirty-six (36) hour week. An employee desiring to use Personal Necessity Leave shall inform their department head as far in advance as possible.

11.5_BEREAVEMENT AND REPRODUCTIVE LOSS LEAVE

In the case of death within the immediate family of an employee, such employee shall be entitled to remain absent from duty with pay for up to five (5) working days per death. _

For purposes of this section, immediate family shall be defined as spouse, registered domestic partner, child, parent,

sibling, grandparent, grandchild, aunt, uncle, niece, or nephew. "Child" means a biological, adopted, or foster child, a stepchild, a legal ward, a child of a domestic partner, or a person to whom the employee stands in loco parentis. "Parent" means a biological, foster, or adoptive parent, a parent-in-law, a stepparent, a legal guardian, or other person who stood in loco parentis to the employee when the employee was a child. Such leave shall not be charged against vacation or sick leave which an employee may be entitled to but shall be in addition thereto.

The bereavement leave shall be completed within three months of the date of the loss.

Additional time off in excess of five (5) days may be taken by an employee with proper documentation (FMLA/CFRA). Such additional time off is to be charged in the following order:

- Accumulated sick leave.
- Accumulated compensatory time (if any).
- Accumulated vacation time.

In addition to the loss events listed above, all full-time employees are allowed a maximum of twenty (20) days' leave for reproductive loss in a twelve (12) month period if multiple events of reproductive loss occur. Reproductive loss events include failed adoption, failed surrogacy, miscarriage, stillbirth, or an unsuccessful assisted reproduction experienced by a person who would have been a parent of a child born as the result of the pregnancy or adoption. In the event of a miscarriage or still birth, full-time employees may utilize five (5) paid days of bereavement leave for an initial event and the remaining fifteen (15) allowable reproductive loss days are unpaid. For all other reproductive losses, all twenty (20) days of reproductive loss leave will be unpaid. Employees may use their own applicable accrued and unused leave balances for unpaid days of reproductive loss leave in the order set forth above. Reproductive loss leave must be taken within three (3) months of the event or the end of CFRA/FMLA or other protected leave, if used.

SECTION 12. REDUCTION IN FORCE AND RE-EMPLOYMENT

12.1_LAYOFF PROCEDURE

Whenever in the judgment of the City Council it becomes necessary in the interest of economy or efficiency or in the interest or mandate of the public, the City Council may abolish any position or employment in the competitive service, and the employee holding such position or employment may be laid off.

Layoffs shall be by job classification according to reverse order of seniority as determined by total full-time employment with the City and ability to perform the remaining duties or job. The City shall prepare a seniority list prior to the notice of an employee to be reduced-in-force. A copy of the seniority list shall be provided to the Union at least thirty (30) days prior to effective date of any layoff(s).

An employee occupying a higher classification, whose position is eliminated, may elect to displace an employee in

a lower classification provided that the two (2) classifications are in the same general family of jobs and responsibilities, that the basic qualifications of the lower position are met by the employee electing to fill the lower classification and that the employee has more total City service than the displaced employee. As soon as practicable after the decision has been made to layoff bargaining unit positions, the City shall meet and confer with the Union over the impacts of the decision and evaluate options to mitigate impacts and find alternatives to layoff.

12.2_NOTICE OF LAYOFF

Employees to be laid off shall be given at least thirty (30) calendar days' prior notice. A copy of the notice shall be simultaneously shared and forwarded to the Union.

12.3_RE-EMPLOYMENT

The names of permanent and probationary employees who are laid off or demoted in lieu of layoff shall be placed upon reemployment lists for one (1) year for those classes requiring basically the same qualifications, duties and responsibilities of the class from which layoff or demotion in lieu of layoff was made. Placement on the reemployment list for a given class shall be in the reverse order of layoff from the classes, i.e., the last person laid off shall be first on the list, the second-to-last person laid off shall be second, and so on. Such reemployment list(s) shall take precedence over all other employment lists for the same classifications when vacancies are to be filled. Persons appointed to permanent positions of the same or similar classifications as that from which laid off or demoted shall, upon such appointment, be dropped from the list. The City shall notify the person in writing of the offer for reemployment and the date by which he or she must respond. Such notice shall be sent to the last address provided to the City by the employee.

Should the person not accept the reappointment within seven (7) calendar days after the date of the offer or should the person decline or be unable to begin work within two (2) weeks after the date of the acceptance of the offer, the person shall be considered unavailable for employment, shall forfeit the right to reemployment and be removed from the reemployment list. Whenever a person is unavailable for reemployment, the next person who is eligible on the reemployment list shall be offered reemployment in the same manner and under the same conditions as above.

Permanent employees re-appointed to the class from which laid off or demoted will not be required to undergo a new probationary period. Employees who had not completed their probationary period in the class from which laid off or demoted shall, upon reappointment to such class, start a new probationary period if at the time of layoff or demotion the employee completed less than six (6) months (three (3) months on a promotional probation) of the probationary period. All offers of re-employment following layoff of more than thirty days shall be contingent upon the employee establishing that they remain physically qualified to perform the physical requirements of the position by submitting to a physical examination by the City to determine that the employee remains physically qualified for the position.

Former employees appointed from a reemployment list must receive a rate of pay at least equal to the rate received at the time of layoff (provided such rate does not exceed the maximum rate established for the class) and must be

restored all rights accorded prior to being laid off such as credit for years of service, for vacation, and for sick leave. However, such re-employed employees will not be eligible for benefits for which they received compensation at the time of or subsequent to the date they were laid off.

SECTION 13. GRIEVANCE PROCEDURE

13.1_DEFINITION

A grievance is any dispute that involves the interpretation or application of any provision of this Memorandum of Understanding or any addenda or supplementary letter attached to this Memorandum of Understanding.

13.2_PROCEDURE

A grievance shall be filed according to the following procedures:

Step 1. The Union, on behalf of any employee who claims that they have a grievance, may within sixty (60) calendar days of the event giving rise to the grievance, present the grievance informally either orally or in writing to the immediate supervisor of the alleged affected employee(s) or who is directly involved in the event. Grievances not presented within the time period shall be deemed to be waived and the event giving rise to the grievance shall remain unaltered in any respect. If the grievance is not resolved orally, the supervisor shall give a written answer to the Union within ten (10) calendar days from the receipt of the grievance by the supervisor. When the immediate supervisor is also the department head, the grievance shall be presented directly as provided in paragraph (3).

Step 2. If the grievance is not resolved with the immediate supervisor, the Union may, within ten (10) calendar days from receipt of the supervisor's answer forward the grievance in writing to the department head for consideration. If the grievance is not submitted within ten (10) calendar days from the date of receiving the decision from the immediate supervisor, the immediate supervisor's decision shall be final and binding. Answer to the grievance shall be made in writing by the department head, after conferring with the Union, within fifteen (15) calendar days from receipt of the Union.

Step 3. If the department head does not resolve the grievance, the grievance may be forwarded within ten (10) calendar days to the City Manager for consideration. If the grievance is not submitted within ten (10) calendar days from the date of receiving the decision from the department head, the department head's decision shall be final and binding. The City Manager must answer the grievance, after conferring with the Union, within fifteen (15) working days after receipt from the Union.

Step 4. At the Union's request, the matter may be referred to mediation with a neutral third party. The City and the Union may mutually agree to the selection of a mediator or may request a list of nine (9) candidates from the State Mediation and Conciliation Service. If the parties cannot mutually agree on the party to be selected, it shall be determined by lot which party may first strike a name from the list. The parties shall alternately strike one (1) name and the last name remaining shall be selected. Each side will bear its own costs for said mediation, and the actual

cost for the service will be shared equally between the City and the Union.

Step 5. If the parties are unable to resolve their dispute through mediation or if the parties do not elect to participate in mediation, the Union may, within ten (10) calendar days following the latter of (i) the receipt of the City Manager's report at Step 3 or (ii) the completion of the mediation process, if applicable, submit a written request for a hearing before the City Council. Upon such a request, the City Council shall schedule a hearing within thirty (30) calendar days. The decision of the City Council shall be final.

13.3_EXTENSION OF TIME LIMITS

The above-specified time limits may be extended by mutual agreement between the parties. Failure of the employee or the Union to act within the specified time limits, unless extended, shall dismiss and nullify the grievance. Failure by the City to observe such time limits, unless extended, shall cause the grievance to be moved to the next level of the grievance procedure.

13.4_COMPENSATION COMPLAINTS

All complaints involving or concerning the payment of compensation after the effective date of this Memorandum of Understanding shall be initially filed in writing with the department head. Only complaints which allege that employees are not being compensated in accordance with the provisions of this Memorandum of Understanding shall be considered as grievances. Any other matters of compensation are to be resolved in the meet and confer process and, if not detailed in the Agreement which results from such meet and confer process, shall be deemed withdrawn until the meet and confer process is next opened for such discussion. No adjustment shall be retroactive for more than twenty-four (24) months from the date upon which the complaint was filed.

APPROVED by Council 6/16/26

EFFECTIVE 7/1/26

* Reflects 5% equity adjustment to range 7/1/26 (Custodian, Lead Custodian, Recreation Supervisor, Senior Planner)

** Library Assistant II position was inadvertently left off of last PAPS; LA II had the same range as "Library Program Marketing Coordinator" which was a new position in FY 2023, and BOTH positions should have been listed on the pay plan but only Library Program Marketing Coordinator was listed in FY2024; in 2025, the Library Program Marketing Coordinator position was updated and reclassified with a new pay range which was not applicable to the LA II position. That transition process resulted in the LA II position being left off the PAPS since FY2024. Position has been added back on PAPS effective 7/1/26.
