Subject: [EXTERNAL] Reconsider Housing Locations
Date: Friday, January 24, 2025 8:05:34 PM

Dear Staff and Council,

I strongly urge you to explore better housing options than Public Parks or City Hall. There is no justification for spending taxpayer money on a special ballot measure that forces residents to choose between two unsuitable options.

It's time to move past closed-door decisions and adopt a more collaborative approach to urban planning—one that leverages expert input and prioritizes community needs.

Thank you for your consideration.

William Austin Arensberg and Hyung Min Park
