Subject: [EXTERNAL] Reconsider Housing Locations
Date: Sunday, February 2, 2025 6:53:27 PM

Dear Staff and Council%2CI strongly urge you to explore better housing options than Public Parks or City Hall. There is no justification for spending taxpayer money on a special ballot measure that forces residents to choose between two unsuitable options. It's time to move past closed-door decisions and adopt a more collaborative approach to urban planning—one that leverages expert input and prioritizes community needs. Thank you for your consideration.
