Subject: [EXTERNAL] Demand Local-Controlled Housing in Sausalito

Dear City Council,

I am a concerned citizen about Sausalito's current housing plans. New housing is being pushed to the northern tip — including low-income units in a public park—while vacant lots and office buildings remain unused.

I urge you to:

- Remove MLK as an opportunity site. MLK Park is a very much needed in our community. I live near this park and am witness to the varied abundant activities that happen at the park every day. MLK Park is essential to holding our community together. Our kids have grown up playing baseball, basketball, soccer, rollerblade hockey, and so much more at MLK park. The rent on the fields not only brings in money, but provides space for outside communities to mingle. We have attended disaster safety meetings, community garage sales, and all kinds of celebrations at MLK. Without MLK Park as it stands today, where will all of this happen? We strongly urge you to remove MLK as an opportunity site for housing. We strongly urge you to keep MLK as is, our community park and gathering spot for years to come.

Thank you for your attention.

Sincerely,

Debra and Robert Hayes.
