Dear City Council,

I am a concerned citizen about Sausalito's current housing plans. New housing is being pushed to the northern tip — including low-income units in a public park—while vacant lots and office buildings remain unused. I know if we used an urban planner, we could make something special in currently underutilized areas of the Marinship! Would be win/win for all of Sausalito.

I urge you to:

- Remove MLK as an opportunity site.
- Revise city ordinances (particularly Ordinance 1022) to reinstate local building control rather than being locked into a closed-door plan created exclusively for state and HCD requirements.

Thank you for your attention.

Sincerely,

Jordan Dodds
