Subject: [EXTERNAL] Sausalito needs more housing - Marinship is ideal (Item 1B: Housing Element + Fix 1022)
Date: Monday, February 24, 2025 9:06:27 AM

Dear City Council,

As a Sausalito resident and homeowner, I would love to see more housing developed in our town. New residents will help keep Sausalito vibrant, allow younger generations a chance to live here, and improve demand & supply of helpful services such as public transit. Of all sites in town, Marinship, much of it in disrepair and under-utilized, is particularly well-suited for new housing.

I urge the City Council to revise Ordinance 1022 to open up Marinship as a development site, and approve a Housing Element that will allow for abundant new homes throughout town.

Kind regards,

Joris van Mens
