Subject: [EXTERNAL] Reconsider Housing Locations
Date: Saturday, January 25, 2025 4:59:08 AM

Dear Staff and Council%2C Why would you ask us to choose between unviable options.I strongly urge you to explore better housing options than Public Parks or City Hall.There is no justification for spending taxpayer money on a special ballot measure that forces residents to choose between two unsuitable options.It's time to move past closed-door decisions and adopt a more collaborative approach to urban planning—one that leverages expert input and prioritizes community needs.Thank you for your consideration. Jennifer
