Subject: [EXTERNAL] Objection to building at Tennis courts/ park MLK
Date: Tuesday, October 1, 2024 12:40:13 AM

Please read and out on agenda:

I strongly object to the building in the MLK area. Already too much traffic, we don't want to lose tennis courts. It devalues homes to have so much density. It's also too big and very ugly. Do not do this.

Build in waterfront area and create jobs to go with housing.
