Subject: [EXTERNAL] Item 1B: Ordinance 1022: Fix to Build Smart in Sausalito
Date: Tuesday, February 25, 2025 8:08:34 AM

As a Sausalito resident deeply invested in our city's future, I urge the City Council to prioritize the development of underutilized and empty lots throughout Sausalito, thereby strategically distributing new housing across ALL neighborhoods. The current housing element is critical, and your approval is necessary to prevent the imposition of the "builder's remedy" which would strip our community of its local control over development. We must proactively identify opportunities that make sense for all of us.

Sincerely,

Lynn
Sausalito Resident
