Subject: [EXTERNAL] Demand Local-Controlled Housing in Sausalito

Dear City Council,

I am deeply upset you are considering adding housing in MLK park. Sausalito is full of multi-unit buildings and is 'housing-dense'. MLK park is the only recreation space in the town and is heavily used! How in earth is this a good idea?

This will also plummet my property value as I live nearby on Lincoln Drive. I will vote against re-election for anyone who approves this plan.

Can you even imagine another town in Marin so eager to eliminate its only recreation open space for high rise projects?

Preposterous.

I am a concerned citizen about Sausalito's current housing plans. New housing is being pushed to the northern tip — including low-income units in a public park—while vacant lots and office buildings remain unused.

I urge you to:

- Remove MLK as an opportunity site.
- Revise city ordinances (particularly Ordinance 1022) to reinstate local building control rather than being locked into a closed-door plan created exclusively for state and HCD requirements.

Thank you for your attention.

Sincerely,
