Subject: [EXTERNAL] Demand Local-Controlled Housing in Sausalito
Date: Monday, February 24, 2025 8:32:36 PM

Dear City Council, I am a concerned citizen about Sausalito's current housing plans. New housing is being pushed to the northern tip — including low-income units in a public park— while vacant lots and office buildings remain unused. I urge you to: - Remove MLK as an opportunity site. - Revise city ordinances (particularly Ordinance 1022) to reinstate local building control rather than being locked into a closed-door plan created exclusively for state and HCD requirements. Thank you for your attention. Sincerely,

Marjorie Lu

P.S.

Recently I had an accident on 1/25/2025,

To avoid a head on collision near Olima and Butt. As the result, My car was totaled and hit another parked car in front of the Rotary Senior housing project.

The area is a narrow double yellow line street. Most of the seniors parked their car on outside of the street because their parking spots are very limited. There's often car accidents in the area.

Sausalito Police Department had the completed accident report and commented that the volume of traffic in the area has saturated as is!

Please seriously consider the safety of the living area near MLK and not to burden more unnecessary grievances to us all.
