Subject: [EXTERNAL] Item 1B: Preserve Sausalito: Focus Housing on Empty Spaces
Date: Monday, February 24, 2025 11:30:34 AM

Hello City Council,

I'm writing to you as a thirteen year Sausalito resident to say that I feel Sausalito should prioritize building in underutilized and empty lots, especially in the Marinship. Building in the parks that we have fought for and that have recently been redone is a terrible idea.

This green space should be used for families and visitors. I believe the Marinship area has a lot of potential and could totally support new housing if it's done thoughtfully and with our community's best interests at heart. It just seems like a way better option than messing with our parks, which we all love.

Also, please do not let a 7 story or 9 story condo be built in our beautiful Sausalito.

Sincerely,

Natasha Damner
Sausalito Resident
