You will receive a 16lb bag of ice, but if you need another bag, let a volunteer know, and they will bring one over.

SET UP / TAKE DOWN

We will provide 10'x10' booth space, a swill bucket, and a 10'x10' pop-up canopy, 6' table, and 1 folding chair (unless you have opted to bring your own tent).

After setting up, we will deliver to you with 2 vendor tasting wristbands & 2 glasses.

At the end of the event, please help by cleaning your area, breaking down your table, and if possible, the 10x10 tent. Your support will greatly help our small team! We appreciate you!
