CITIZEN COMPLAINTS- Q3

There were no citizen complaints in Q3.

USE OF FORCE INCIDENTS- Q3

During the third quarter, there were two use-of-force incidents.

In one incident, an individual arrested for DUI refused to provide a blood sample. After a judge authorized a warrant for the sample, minimal force was used to secure the individual's arm so that the sample could be obtained. The test results later confirmed the individual's blood alcohol content was twice the legal limit.

The second incident involved an officer unholstering a Taser in response to a subject's refusal to comply with lawful commands. The device was not aimed or discharged. The subject subsequently complied, and the incident was resolved without injury or further escalation.

Both incidents were reviewed by training and command staff and were deemed to be appropriate and within policy and procedure.

SIGNIFICANT POLICY CHANGES- Q3

There were no significant policy changes or additions during Q3.

PERSONNEL UPDATES- Q3

No updates for Q3.

HIRING- Q3

In July, two Police Officer Trainee candidates started the police academy through the Santa Rosa Junior College. They are both doing well and are set to graduate in December of this year.

The Police Department interviewed multiple candidates for the lateral/academy graduate position. One candidate successfully passed his background and is slated to start in Q4.

PROGRAMS AND PROJECTS- Q3

In Q3, the Police Department purchased and installed two additional Flock LPR cameras, both of which are now operational. The department currently operates a total

of 11 cameras strategically placed throughout the city to help deter crime and assist in criminal investigations.
