

CITY OF SAUSALITO
Sausalito, CA 94965

Withdraw of Informal Bid Proposal

Notice Issued July 8, 2013
For

Bridgeway and Caledonia Street Series Streetlight Circuit Conversion

Notice is hereby given that the Informal Bid Proposal for the above-designated project is withdrawn.

The City performed potholing on selected utilities in an attempt to reduce the scope of the project to allow for an Informal Bid under California Public Contract Code Section 22032. Information obtained during potholing did not allow this to occur.

The project will be repackaged for a Formal Bid Proposal in the near future. The City of Sausalito thanks you for your patience while all necessary information is collected for this important City project.
