

Name: JOE BURNS

AGE: 51

Occupation: Real Estate Broker

Please allow me to continue my dedicated service to the community of Sausalito by electing me Councilmember. I have been an active member of the Sausalito community for many years – as a Park and Recreation Commissioner, a Willow Creek Academy Foundation Board member, past manager of the City's MLK property, a founder and coach of Sausalito's successful youth softball league, and a member of many local committees. I have a history of local service in other communities as well, including leadership positions in the communities of Napa and Truckee.

I have the experience to serve the public interest of Sausalito and to listen to all concerns before deciding on an issue, incorporating opened-minded dialogue to eliminate barriers and build collaboration.

I will strive to build on current strengths and help to make Sausalito a leader in the North Bay on issues related to the environment, tourism management, city administration and historical character protection.

A realtor by trade, a coach by enjoyment and a community volunteer by passion, I am also a single father of an incredible daughter that deserves my best everyday; you will get that too. I truly appreciate your vote, thank you.
