

NOTICE INVITING BIDS

CITY OF SAUSALITO DEBRIS REMOVAL PROJECT

NOTICE IS HEREBY GIVEN that the City of Sausalito will receive sealed bids for the **DEBRIS REMOVAL PROJECT**. Such sealed bids shall be received at the Office of the City Clerk of the City of Sausalito at 420 Litho St. until **July 9, 2019 at 2:00 PM**, at which time they will be publicly opened and read. On July 16, 2019, all such bids shall be tabulated and submitted to the City Council for consideration and action consistent with the provisions of Public Contract Code Division 2, Part 3, Chapter 1, Article 4.

GENERAL LOCATION AND DESCRIPTION OF WORK: The Project is located between Sausalito Blvd and Crescent Ave., and also extends below Crescent Ave. The project provides for removal of the debris resulting from the mudslide that occurred on February 14th, 2019.

Work shall include examining debris, loading the debris, hauling debris to approved and appropriate landfills or disposal facility, and dumping the debris at the landfill or disposal facility. The Contractor is also responsible for documenting and tracking debris eligible by FEMA or Cal OES. This includes, but is not limited to Vegetative Debris, Construction and Demolition Debris including building materials and household debris, and Automobiles buried within the debris.

PRE-BID MEETING: Time: June 25, 2019 at 10:00 AM
Location: City Hall Conference Room, 420 Litho St., Sausalito, CA

BIDDERS' REQUIREMENTS: Each Bid shall be made in accordance with the Plans, Specifications and Contract Documents prepared therefore, and available for review at the office of the City Engineer.

As noted in the Instructions to Bidders, all bid questions must be in writing and can be emailed to Andrew Davidson: adavidson@sausalito.gov.

Bids shall be submitted only upon proposal forms included in the bid documents. The Contract will be awarded, if at all, to the responsible Bidder submitting the lowest responsive Bid based on the Total Bid amount. Copies of Contract Documents are available for public inspection at the City of Sausalito. Digital copies of the plans and specifications will be available on the City website at <http://www.sausalito.gov/departments/public-works/bid-notices>. Those wishing for paper copies of the plans and specifications shall make their own printing arrangements.

The Bid Proposal must be accompanied by bid security of ten percent of the total bid amount, in the form of a cashier's or certified check made payable to City, or a bid bond executed by a surety licensed to do business in the State of California on the Bid Bond form included with the Contract Documents.

Pursuant to Section 1770, *et seq.* of the California Labor Code, the Contractor and all Subcontractors shall pay not less than the prevailing rate of per diem wages as determined by the Director of the California Department of Industrial Relations and shall be responsible for complying with requirements concerning the employment of apprentices and apprenticeable occupations. Bidders shall be licensed in accordance with California law at the time bids are submitted. The licenses required to perform this project is a class A (GENERAL ENGINEERING). Contract amounts to be paid under this contract will be subject to 5% retention to ensure performance. See the Complete Notice to bidders in the project specifications for additional information and bid requirements.

The Engineer's estimate of construction costs for this project is \$1,100,000. The project is to be completed within **Ninety (90) consecutive working days** from the effective date of the Notice to Proceed.

Dated: June 7, 2019

CITY OF SAUSALITO
